### **Reasons for Allowance**

The following is an examiner's statement of reasons for allowance: The prior art of record alone or in combination fails to teach or fairly suggest applicant's claimed invention. Particularly, the applicant claims a point light source radiator enclosed in a circumferential shroud of optical fibers ...to form a tightly-shaped singular output for illumination of microscope specimens."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
